DANGEROUS WASTE

YES PLEASE

- Fluorescent tubes and light bulbs
- Small electronics
- Cables and wires
- Electrical toys
- Batteries
- Paint, glue and lacquer
- Solvents
- Spray boxes

You will receive a red box to collect dangerous waste. Bring the box to your recycling station and we will handle the waste safely.

RESIDUAL WASTE

YES PLEASE

- All non-recyclable waste
- Dirty packages
- Toys
- Cotton, band-aids and gauze bandages
- Pet litter
- Diapers and sanitary towels
- Dust bags

NO THANK YOU

Recyclable waste. Paper and cardboard, plastic packaging, glass- and metal, food waste and dangerous waste.

Årim supplies you with:

Outside bins for recycling.

One box to collect dangerous waste in.

Basket to collect food waste inside.

One orange extra bag to collect extra residual waste in.

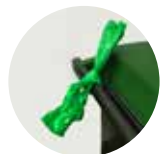

Rolls with green bags for food waste.

Rolls with bags for plastic packaging

How can I get more green bags?

Tie a green bag on the outside bin. This is a message to Årim to leave a roll of bags. You can also pick up bags at our office in Moa.

Do you need more plastic bags?

Tie a shopping bag on your residual waste- or paperbin outside. You can also pick up bags at our office in Moa.

Questions?

Contact us at 70 31 41 00 or post@arim.no
You are welcome to stop by our office at Langlandsvegen 1, 6010 Ålesund.
